REV. ASIF JAVED

Founder & President

There are wonderful prayers in the Bible. One of the prayers we find in Paul's letter to the church in Colossae.

“For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may be filled with the knowledge of His will in all wisdom and spiritual understanding; 10 that you may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God; 11 strengthened with all might, according to His glorious power, for all patience and longsuffering with joy;” (Col. 1:9-11).

The Mission of GTF Ministries is to reach the unreached with the global approach through Gospel Crusades, Evangelical & Literature outreach, Mass media, and by planting dynamic churches in every out-reached community. In the view of Evangelism our mission's next step is to empower youth, women and children all the way through our activities which are to eliminate poverty, literacy upgrading, relief services and feed hungry for free. We urge to rescue Christians via our Ministry to encourage and strengthen persecuted and believers of Pakistan, who are fighting to survive for their faith.

I'd like to thank you for your Prayers, Concern and Support for the Previous years. Praise God that He is doing tremendous work through GTF Ministries in Pakistan in spite of all dangers, pressures without any financial support. GTF team has been very committed and faithful in doing the Religious and Humanity base work throughout the year 2022 and looking forward to serve the Lord in Pakistan with great zeal and passion.

GTF Team is always thankful to all our friends, who have been concerned and faithful in prayers and giving for the work of our Lord Saviour Jesus Christ in Pakistan through GTF Ministries.

I want to invite you with great love and encouraging words to come to Pakistan and bring the Good News of Lord Jesus Christ. There is only 3.5 percent Christian in Pakistan out of 192 million people. Now out of 3.5 % Christians most of them are nominal Christians so there is an urgent need of Servants of the Lord.

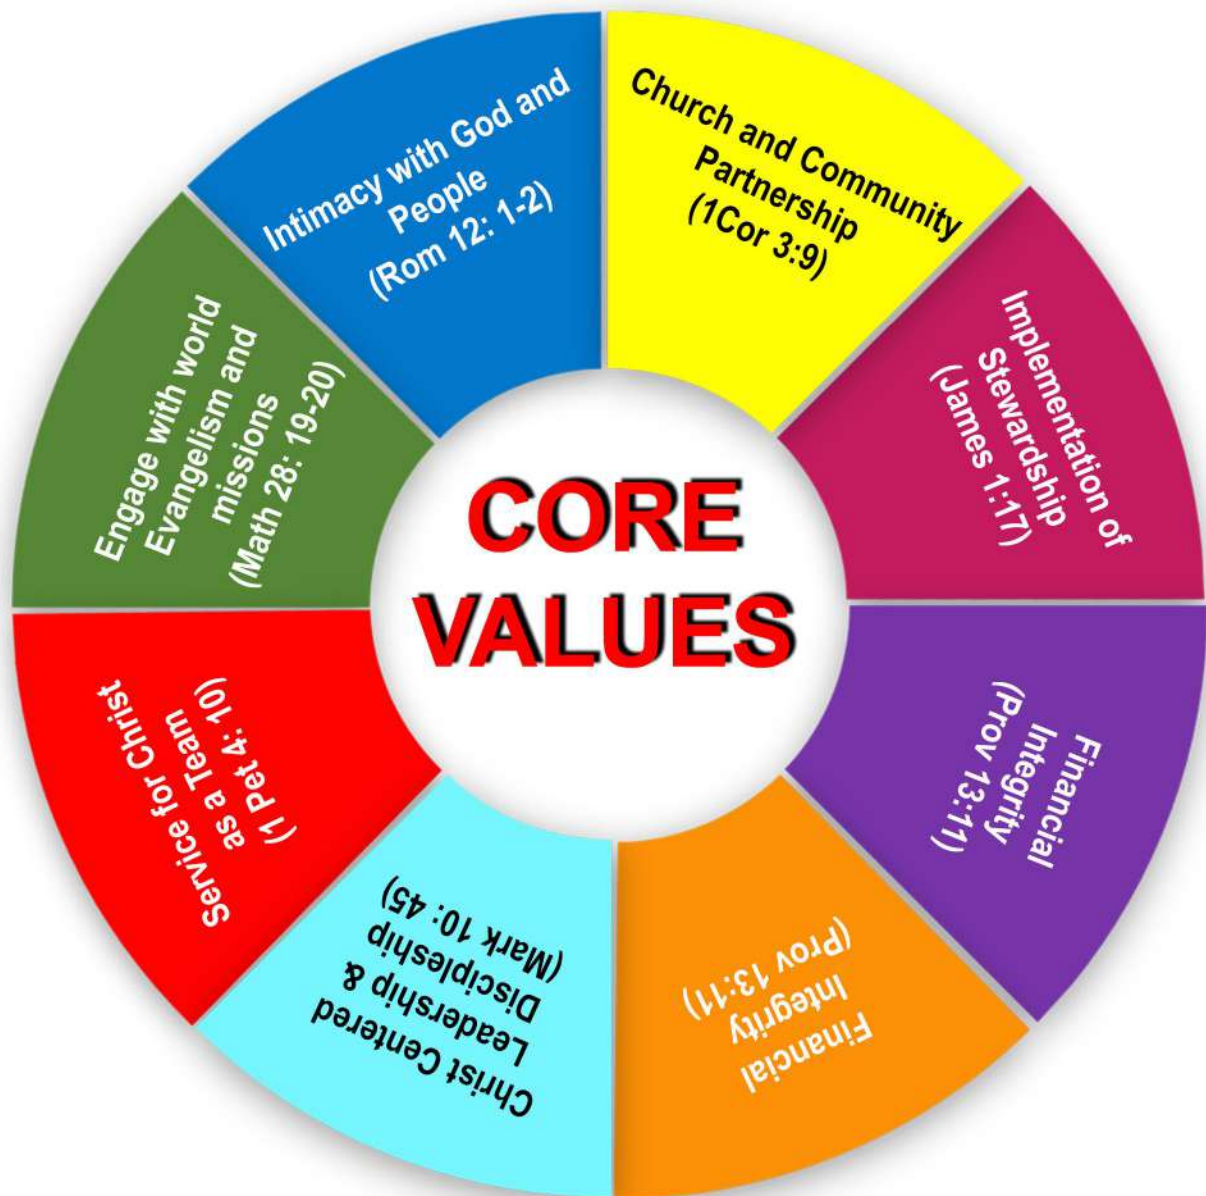

We do hope that you will continue to pray and consider our needs in 2021 Please be assured of our prayers for you. God Bless you all.

Our Vision

Our vision is worldwide to reach the un-reached with Love of Christ the Lord. It is based on a thought that it is not enough to preach to sick, unable/restricted or displaced but it is of dire importance to support such people.

Our Mission

In the view of Evangelism our mission's next step is to empower youth, women and children all the way through our activities which are to eliminate poverty, literacy upgrading, relief services and feed hungry for free. We urge to rescue Christians via our Ministry to encourage and strengthen persecuted and believers of Pakistan, who are fighting to survive for their faith.

Food for Poors and Widows

Widows are present in all societies of world. In our culture where our ladies always stay at home and take care of the children and home, it is very difficult for any lady to face this situation. When the earning hand and head of the family is deceased, problems start for the family and especially for the widow. It becomes very difficult for the lady to run the house and make both ends meet. The situation becomes worse when a Christian becomes widow. She faces discrimination in all activities of life. She is mentally tortured by society. When she goes out for work she being a raw hand without education and any skill. She may have to work as maid in any house to earn her living and keep her kitchen running.

GTF Ministries felt that we should do something about these needy and poor widows. We decided to give them food package so at least they don't have to worry about their kitchen. We decide to help in this Mothers Day them. It was kind of work which is very rarely being done in Pakistan. We give food package enough for 50 person for full one month. Items in package include flour, sugar, rice and many other items which are needed every day. We request to all of them please pray for us and specially these needy poor families and widows. Your little Effort give them good life.

Kids Bible School Activies

About the spiritual growth it is fact that we have gap to educating & training for Christian children in respective ways, where they can improve, enhance and strengthen their inherent skills which promote their Christian identity first . Some things are observed including insufficient spiritual growth of Christian children, lack of opportunities regarding proper teaching, disabilities between parents and children relationship for spiritual growth, lack of guidelines and shortage of existed religious growth programs. **Gospel Teaching Fervent Ministries** has a burden to educate and train the Christian children in context of Holy Bible the project focuses four major needs of the children including:

(1) Physical growth (2) Mental growth (3) Spiritual growth (4) Social growth

Women Empowerment

GTF Ministries widows support and women's empowerment program supporting those widows and women's who have no skill or enough education to get some job or to do some work. Empowerment of women is not restricted to any specific class or group of women. Empowerment is the requirement of all women equally to avoid redundancy. **Widows and young girls support project have two phase.**

First Phase Providing minimum needs food, health, sanitation

Second Phase Self-confidence & Skilled Development Project

Church Activities

Holy Communion Service

The church holds its Holy Communion service every first Sunday of the month.

At the end of the sermon before participating in the Lord's Supper during the Holy Communion, the congregation has to bow their knees down on the uneven, stony and sometimes wet ground which is not only painful and uncomfortable but also cloth staining. I thank the Lord for the remarkable passion and love of the congregation who has never grumbled and murmured.

Lords Table (AGAPE DASTERKHAWAN)

When we look at the ancient culture of church it was their custom to provide food to needy, orphan, widow and less fortunate people. Jesus Christ throughout his missionary life took care of his people and always fed the hungry with food. It is written in the bible "Whoever has two tunics is to share with him who has none, and whoever has food is to do likewise". Following the footsteps of early church and Jesus Christ the GTF Ministries has started a free meal program known as the Lord's Table (AGAPE DASTERKHAWAN). This is the first ever church in Pakistan who provides free meal to approximately 200 people every day without any discrimination of religion, caste, gender, economic status or ethnicity. Our local community has been motivated a lot through this positive step of charity and they come and donate a lot of food to the Lord's Table. They celebrate their happiness in form of giving food to the church and hence gaining abundance of God's kingdom.
